Your primary objective will be to ensure timely and efficient fuel delivery while maintaining a high standard of safety, professionalism, and customer service.

Responsibilities:

1. Safely operate a fuel delivery vehicle (e.g., tanker truck) to transport and deliver fuel to designated customer locations.
2. Conduct pre-trip inspections to ensure the vehicle's mechanical and safety equipment is in proper working condition.
3. Adhere to all relevant traffic laws, regulations, and company policies while driving.
4. Load and unload fuel into the delivery vehicle, ensuring accurate quantities and proper handling procedures.
5. Monitor fuel levels during delivery, accurately record fuel quantities delivered, and maintain delivery records.
6. Follow specified delivery routes or use GPS navigation systems to reach customer locations in a timely manner.

7. Maintain regular communication with dispatch to provide updates on delivery status, route changes, and other relevant information.
8. Provide exceptional customer service by professionally interacting with customers during fuel delivery and addressing any inquiries or concerns.
9. Follow established safety protocols and procedures to prevent accidents, spills, and other hazardous situations.
10. Comply with all environmental and safety regulations related to fuel transportation, including proper handling of fuel, equipment maintenance, and emergency response procedures.
11. Complete required paperwork and documentation accurately and promptly, such as delivery tickets, mileage logs, and vehicle inspection reports.
12. Assist with basic vehicle maintenance tasks, such as fueling, cleaning, and routine inspections.
13. Adhere to company policies and procedures, including those related to confidentiality, customer service, and employee conduct.
14. Maintain a professional appearance and demeanor while representing the company in a positive and respectful manner.

Qualifications:

- High school diploma or equivalent.
- Valid commercial driver's license (CDL) Class A or B with appropriate endorsements for fuel transportation. (Hazmat, Tank, Airbrake)
- Clean driving record with no major violations or accidents within the past [X] years.
- 3 years of experience as a fuel delivery driver or in a similar driving role.
- Knowledge of local traffic laws, safety regulations, and DOT requirements.
- Strong customer service and communication skills to interact professionally with customers.

- Ability to work independently and manage time efficiently to meet delivery schedules.
- Physical stamina to handle the demands of loading/unloading fuel and operating equipment.
- Familiarity with basic vehicle maintenance and troubleshooting.
- Commitment to safety, environmental responsibility, and maintaining a clean and organized work environment.
